## LSI Executive Courses

**LSI has over 40 years' experience in professional training and specialised language courses. We offer a wide range of courses. We will design a programme to meet your needs, whatever they are. Our language trainers use the latest teaching methods and are skilled at assessing your needs. They will establish with you a detailed course plan to help you achieve your objectives.**

### One-to-One

- 20, 30, 40, or 50 individual lessons per week
- Beginner to Advanced levels
- 1 lesson: 45 minutes (in the USA and Canada 50 minutes)
- Courses begin: every Monday

Individual tuition is the fastest way to learn a language. Whether you need general or specialised language, each course is designed for your needs and adapted to your rate of progress. It is the perfect option if you have specific targets or limited time. It is particularly convenient for professionals and executives preparing for a trip abroad, or negotiations and presentations in a foreign language. Our reputation for adaptability and flexibility means that your trainers respond to any further requirements you may have.

### 9 Day Compact Course

- 82 or 92 individual lessons
- 9 consecutive days
- Courses begin: every Saturday

For people with special aims which must be met in a short space of time. Requiring just one week away from the office, this course is ideal for busy professionals and executives who need to prepare for presentations and meetings abroad. The course includes lunch with your teacher, giving you the opportunity to work on your social language - also vital in a business situation.

### Mini Group

- 20, 30 or 40 lessons per week
- Participants: maximum 5
- Minimum age: 21 years
- Intermediate to Advanced levels
- Course length: 1-4 weeks
- 1 lesson: 45 minutes (in the USA and Canada 50 minutes)
- Courses begin: every Monday

This course combines general grammar and skills development with an in-depth focus on the language of business. The small, intensive group provides the ideal opportunity to practise negotiation, presentation and meeting skills in a realistic situation.

Intercultural awareness is important in global business and communication. The international mix of our courses and experience of our teachers provides the perfect forum in which to gain this valuable knowledge.

### Mini Group Plus One-to-One

Designed to complement the Mini Group, Plus courses are individual lessons flexibly arranged when you need extra help on a specific area or want to increase your rate of progress.

### Sample course plans:

- 40 Mini Group lessons + 5 One-to-One lessons per week
- 30 Mini Group lessons + 10 One-to-One lessons per week
- 20 Mini Group lessons + 20 One-to-One lessons per week
- 2 weeks Mini Group (40 lessons per week) + 1 week One-to-One (40 lessons per week)

*The goals set with my LSI teacher have been entirely achieved: a tailor-made individual course with emphasis on speaking and pronunciation and useful business vocabulary and idioms.*

**Olivier Kaeser, UBS Business Banking, Swiss-French**

A dedicated area is provided for executive clients to study and socialise in a calm and quiet environment. The centre is equipped with computers for client use, and complimentary tea, coffee and daily newspapers are provided. On arrival all clients receive a portfolio folder containing key business vocabulary and information on local attractions, amenities and leisure activities.

An exciting programme of social activities is organised especially for our executive clients, including theatre trips, restaurant evenings, guided walks, museum visits, and a weekly cheese and wine party.
